## ABOUT US

It is our great privilege to welcome camping families from near and far to enjoy time together in nature and explore this beautiful area. We have a wide range of departments that contribute to our guest's overall experience, and we strongly believe that every detail matters. If you enjoy working with people and have a passion for doing things well, we'd love to meet you!

## WHAT YOU'LL DO

- Greet guests, take food and treat orders with our POS system, and ring up other goods and services at the register
- Fulfill parlor orders (scoop hard-serve ice cream, make soft serve cones, etc.) according to food safety guidelines
- Utilize slower times to stock the parlor and general store and make sure these areas are clean; ensure tables are wiped and seating area is clean
- Employ great customer service skills while interacting with our guests, answering their questions or finding someone who can
