ABOUT US

Kibby Creek is a family-owned and operated camping resort in the beautiful countryside between Ludington and Pentwater, just a mile west of Lake Michigan. It is our great privilege to welcome camping families from near and far to enjoy time together in nature and explore this beautiful area. We have a wide range of departments that contribute to our guest's overall experience, and we strongly believe that every detail matters. If you enjoy working with people and have a passion for doing things well, we'd love to meet you!

WHAT YOU'LL DO

- You'll be handmaking pizzas from thawed pizza dough, with premium toppings, transferring them into our stone open fire oven, cooking and finishing pizzas in their box before handing them to customers.
- Operate the fryer and grill in a timely manner, maintaining good pacing and using critical thinking to do batch orders to get orders out timely.
- Communication is key in the kitchen, maintain a good attitude and work with other kitchen crew members to complete orders correctly and timely.
- Employ great customer service skills when handing food orders to campers and work well with others to maintain efficiency and a pleasant work environment.
- The kitchen will be closed from 2-4pm everyday to allow for breaks for kitchen crew, as well as keeping the kitchen stocked for busier times of the day. It is the responsibility of the kitchen crew to keep all products the kitchen serves stocked during down times.

- The kitchen closes at 8pm, on occasion we may have orders that take us past this time frame. Kitchen crew are responsible for finishing all orders and making sure the closing list for the kitchen has been completed before the end of their shift.
- Kitchen crew will maintain the equipment within the kitchen, this may include cleaning the fryer weekly, filtering oil every other day during operation, and keeping other equipment clean during down times.
